

CROATIA – KUD “Frankopan – Remete”, Zagreb

KUD FRANKOPAN - REMETE is a folklore group founded in 1921, consisting of folk dancers/singers and *tamburitza* orchestra players.

The program covers songs and dances from various parts of Croatia, and thus provides a true variety of both performing folklore art and costumes. An outstanding feature of the costumes is that many of them are original folk handicrafts and present, in some of the cases, part of authentic family heritage.
