Great News!!!

Festival Parade of Nations on 7 August 2010, which was in danger of having to be cancelled, after the discussions with Stockton Borough Council and Cleveland Police, has now been given a GREEN LIGHT!

The problem arose due to new rules being legislated upon, with regards to the highways department throughout the country.

We are delighted with this decision and would like to thank all those involved for their efforts and understanding.

Come and Enjoy the Rainbow of Dance, Music, Costumes and Colours. The Parade of Nations will start on Saturday, 7th August at 1:45 pm from Telstar on Marsh House Avenue and will march through to Billingham Town Centre for the Opening Ceremony and Concert.
